February 15th, 2025

Dear Goshen Community,

Welcome to the 2025 Goshen Youth Football & Cheerleading Season (**GYFCL**). After an exciting 2024 season, we are eager to build upon our momentum and continue providing a rewarding experience for all of our young athletes. We are incredibly proud of our Gladiators for their dedication, teamwork, and perseverance-both on and off the field. From hard fought battles in the playoffs, outstanding performance at the Mighty Mite Bowl, and all of our cheer teams performances. Our league's athletes showcased the true spirit of sportsmanship and commitment.

However, GYFCL is about more than just winning games; It's about developing character leadership and lifelong friendships. Our league remains dedicated to fostering teamwork, sportsmanship, honesty, loyalty and respect. Values that will benefit our athletes well beyond their years in youth sports.

Exciting news for 2025; Flag Football comes to GYFCL! As we look forward to another action-packed season, we are thrilled to announce a major addition to our program- FLAG FOOTBALL!! This spring we will officially introduce our flag football league, providing another fantastic opportunity for young athletes to develop their skills in a fun and competitive environment. This addition allows for greater inclusivity, introduces the game to younger players in a non-contact setting, and helps enhance agility, strategy, and teamwork.

Whether you are a returning sponsor or looking to advertise for the first time, GYFCL is a great way to get involved and help shape the future of our community. With a positive future ahead, we respectfully request your support for our volunteer driven, community-based program. Our league has over 250 boys & girls ages 5 to 14 from Goshen and the surrounding communities. Through your generosity and support, we will be able to keep the cost of participating in our program to a minimum. Your sponsorship goes towards purchases of

equipment, uniforms, and trophies for all the children involved. ***Goshen Youth Football and Cheer is a registered Not-for-Profit, and thus any sponsorship or donation your company makes, are tax deductible under 501(c)(3) of the Internal Revenue Code.***

There are many ways your business can help Goshen Youth Football and Cheerleading. Attached is a form that explains the various sponsor packages that are available to you. The packages offer different options such as, a banner with your company logo at all home games, your business listed on the sponsorship section of our website (GYFCL.com), and ad space in our yearbook that is given to every player at our annual end of the season banquet. Anything your company can provide will go a long way to ensuring that we are able to provide the support that our boys and girls in our league need.

We appreciate and thank you for your continued support!
